

Application Error Details

1. **Website – Location Update Needed**
 - Please update the location for **Hazaribag** with the correct address.
2. **GST Charges Discrepancy**
 - GST is set at **12%**, but the application and website display only **5%**.
3. **Rate Chart Issue After Booking (Website)**
 - After booking, the website shows **two different rate charts** to the customer. Please resolve the inconsistency.
4. **Round Trip Booking Not Displaying Properly (Website)**
 - When selecting **Pick-up Location, Destination**, and then adding **another city**, the booking does not display — the page goes **blank**.
5. **Round Trip Booking Not Showing (Website)**
 - In general, **round trip bookings are not showing** on the website.
6. **Local Rental Cab Duplication**
 - For 8-hour / 10-hour / 12-hour bookings (Sedan/SUV/Innova), the **cab is shown three times**. Kindly remove duplicates.
7. **Airport Transfer Booking (Website)**
 - In the **‘Pick-up’** and **‘Additional Pick-up’** boxes, the **time selection box is missing**.
8. **Self-Booking Panel Not Updating**
 - The **Self Booking Panel** is not updating correctly. Please check for synchronization issues.
9. **AM/PM Format Missing (App)**
 - The **Pick-up Time** in the app does not show **AM/PM** format. Kindly add it for clarity.
10. **Terms & Conditions (App & Website)**
 - All bookings should mention clearly that they are **valid up to 11:59 PM**. Please display this on the **Terms & Conditions** page.
11. **Local Rental Booking Calculation**
 - Booking should show:
 - **Base: 8 hours / 80 km**
 - After 8 hours: **extra hourly charges apply**Ensure this logic is displayed and functional.
12. **Location Search Difficulty**
 - Location search is **not user-friendly**. Please enhance the location search functionality for easier access.
13. **Round Trip Booking Validity Not Matching (Admin Panel)**
 - Though round trip bookings (same day/next day/any return day) are **valid up to 11:59 PM**, the **admin panel displays incorrect booking time**. Please fix this inconsistency.
